

PRICE LIST Q2 2026

Thank you for taking the time to inquire about eOne pricing. Below is the complete price list for eOne Solutions' products and services. If you have any questions or need more information – reach out to the eOne team by emailing sales@eonesolutions.com – we'd be happy to help you!

Note: Regions not specified will be charged using US Pricing. Sales transactions will be charged in the local currency stipulated by your sales region. No GST applies to sales outside of Australia. Taxes are charged where applicable.

This pricing sheet is live for online ordering on 1 April 2026 – 30 June 2026.

About eOne Pricing

Some eOne products are available to purchase as perpetual licenses with annual enhancement or as monthly subscriptions. Complementary training services and support offerings are available.

For customers on eOne’s perpetual license model, Annual Enhancement Plans (AEP) include regular hotfixes, service packs, functional releases, two support incidents per year, and the ability to work with eOne’s support and services team. Annual Enhancement Plan (AEP) payments are required with perpetual product purchases and are assessed at 20% of the total product price.

Subscription plans are inclusive of the product features and experience benefits, like certain levels of support, training and customer success, depending on the plan.

About SmartConnect Pricing

SmartConnect is purchased as a monthly subscription plan. SmartConnect monthly subscription plans are designed to be inclusive of dual use rights to SmartConnect on-premise and SmartConnect.com with certain levels of training, technical support, templates and services at reduced rates included, depending on the plan.

SmartConnect Monthly Subscription Plan Benefits

Included below is eOne's SmartConnect subscription pricing for new customer purchases. For needs that exceed what's included in the SmartConnect Premium Plan, customers and partners can request Enterprise custom pricing from sales@eonesolutions.com.

Please note that pre-payment and commitment discounts will be available at the [eOne Shop](#) to apply with the following pricing.

SmartConnect.com Additional Premium Connections – For the Premium Plan	Price per month	Per connection	\$150	\$180	£120	€135	\$75	\$75	\$210

What is a connection?

A connection refers to any system that you want to integrate to or from and would technically log into as a user. As an example, it may be a Dynamics 365 Sales/CRM organization, a Dynamics 365 Business Central on-premise solution, an Oracle NetSuite account, Salesforce instance or any of our available connections. When you create that connection, you are then able to use it in a data source or as a destination in your integration process.

Please note that for files specifically, when you configure a file as an integration point (source or destination), a connection is counted the first time you are using that connection type. A file could be a text/CSV, XML or Excel file type. After the first time a file is used, unlimited file integration is included without counting towards the connection limit by plan.

What is included in the Monthly Subscription Plan?

Dual use rights to use SmartConnect.com or SmartConnect on-premise (4 installs), so you have the choice to deploy your integrations in the cloud or on-premise. Depending on the plan, we also include other benefits for training, support, templates, and onboarding success plans.

SmartConnect Annual Enhancement Plan (AEP) to Subscription Renewals

As of 1 July 2024, eOne started offering transition pricing to customers who had been on a SmartConnect AEP plan. At the customers' next AEP expiry after 1 July 2024, SmartConnect customers who had been on an Annual Enhancement Plan (AEP) were grandfathered into a SmartConnect On-Premise Subscription Plan:

- SmartConnect 8-year Basic AEP will move to a SmartConnect Basic On-Premise Subscription
- SmartConnect 8-year Business AEP will move to a SmartConnect Business On-Premise Subscription
- SmartConnect AEP will move to a SmartConnect Legacy On-Premise Subscription
- SmartConnect 8-year Premium AEP will move to a SmartConnect Premium On-Premise Subscription

These have been the default plan transitions, but customers have had the opportunity to elect a SmartConnect Business, SmartConnect Premium, or iPaaS bundled subscription plan. Customers may opt into additional pre-payment and commitment discounts. Moving to a full SmartConnect subscription plan is highly recommended as customers have the flexibility to upgrade their connection count and gain experience benefits (additional support, online training, and customer success).

SmartConnect On-Premise Subscription Plan Pricing

SmartConnect On-Premise Subscription Plans include the SmartConnect on-premise product only and very similar benefits to what customers previously received in their Annual Enhancement Plan (AEP): 2 incidents of support per year, regular hotfixes, service packs, functional releases, two support incidents per year, and the ability to work with eOne's support and services team.

Here is the plan pricing by currency that existing SmartConnect AEP customers are grandfathered into as of 1 July 2024:

Monthly Subscription Plan	Type	Number of Connections included	USA (USD)	Canada (CAD)	United Kingdom (GBP)	European (EURO)	Caribbean (USD)	S. American & S. African (USD)	Australia & Asia (AUD); New Zealand (NZD)
SmartConnect On-Premise Basic Subscription	Price per month	2 per instance	\$140	\$168	£112	€126	\$70	\$70	\$196
SmartConnect On-Premise Business Subscription	Price per month	5 per instance	\$220	\$264	£176	€198	\$110	\$110	\$308
SmartConnect On-Premise Legacy Subscription	Price per month	Unlimited per instance	\$220	\$264	£176	€198	\$110	\$110	\$308
SmartConnect On-Premise Premium Subscription	Price per month	8 per instance	\$360	\$432	£288	€324	\$180	\$180	\$504

PRICE LIST Q2 2026

SmartConnect Annual Enhancement Plan (AEP) to SmartConnect Business or Premium Subscription Pricing

As of 1 July 2024, instead of renewing the SmartConnect On-Premise Subscription, existing SmartConnect customers may elect to move to SmartConnect Subscription Plans (Business level or higher), which include:

- Dual use access to SmartConnect.com and SmartConnect on-premise.
- The [SmartConnect Plan Benefits](#).
- The ability to upgrade and add connections.
- The SmartConnect Essentials Support Plan, which includes 2 incidents of support per month, regular hotfixes, service packs, functional releases, two escalation support incidents per year, and the ability to work with eOne's support and services team.
- Additional incentives for pre-payment and commitment discounts.

About Popdock Pricing

Popdock is purchased as a monthly subscription plan. Popdock monthly subscription plans are designed to be inclusive of Popdock, eOne’s complete SmartList Suite (at the Business level and higher), self-paced training, technical support, and specific functionality per plan.

The last update of Popdock subscription pricing and transition plans for existing subscription customers started on 1 June 2024.

By renewing Popdock, Dynamics GP customers get access to eOne’s complete SmartList reporting suite for GP, which includes SmartList Builder, SmartView, and Popdock.

Popdock Plan Benefits

Included below is eOne’s Popdock subscription pricing for new customer purchases, which started on 1 June 2024. For needs that exceed what’s included in the Popdock Premium Plan, customers and partners can request Enterprise custom pricing from sales@eonesolutions.com.

Please note that pre-payment and commitment discounts are available at the [eOne Shop](#) to apply with the following pricing.

Recommendations

Whether you have decided on an on-premise or cloud-based solution, it is highly recommended that each customer receives training and support on the products. We offer a wide variety of support and training options, as well as a service team that can act as an extension to your team if you do not have time to implement your project. Please take a look at the training, support, and service offerings for more information. If you'd like more details, please reach out to sales@eonesolutions.com.
